

## Welcome to the 2014 Stroke Clinic

Due to nationwide security concerns, there is a different procedure this year for our civilian friends. To have access to the base for the stroke clinic please take the following steps:

1. Have you pre-registered? If not – call 452-9429 or leave a message at 554-5700 or 554-0625. Leave your name, phone number, child's name, age and school and then email the same information to [naspaquatics@yahoo.com](mailto:naspaquatics@yahoo.com) . The aquatic office will then send your information to security and email you when you can get your pass.
2. As soon as you get the email, you will be able to go to Bldg 777 (that is the front gate – Pass and ID Office) between 0745 and 2145 to get a pass which will be good for the 3 weeks of the stroke clinic. Bring Driver's License, proof of insurance and registration for your vehicle.
3. Present the pass daily at the front gate. If anyone else is going to pick up your child, there must be a pass for every car – make sure the Aquatic Office has that information too. Civilians must enter by the front gate.

**Please Remember** – the gate guards have the responsibility for the security of the base and they will be following procedures. If there is a problem, please remain polite. Call me at 554-5700 or the office at 452-9429. I will try to resolve any issues but it is possible that access may be denied temporarily. But we will get it fixed!!

Thank you for being part of this community outreach. I think you will be amazed at how quickly your child will learn the swim team basics!!
